

MONSTERS VS. ALIENS: TOP SECRET STATIONERY

MATERIALS

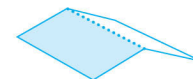

- Scissors or X-ACTO knife
- Multipurpose glue

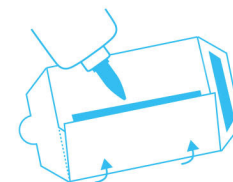

1. Cut out along solid lines.

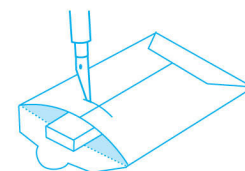

2. Score and fold all dotted lines into mountain folds.

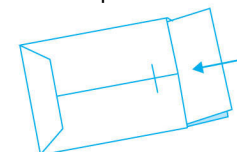

3. Glue along tab, then fold right panel over tab pressing tightly. Fold up bottom flap and glue in place.

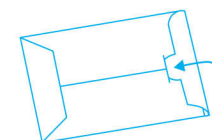

4. Place an object inside envelope to cut on top of, along the solid line creating a notch.

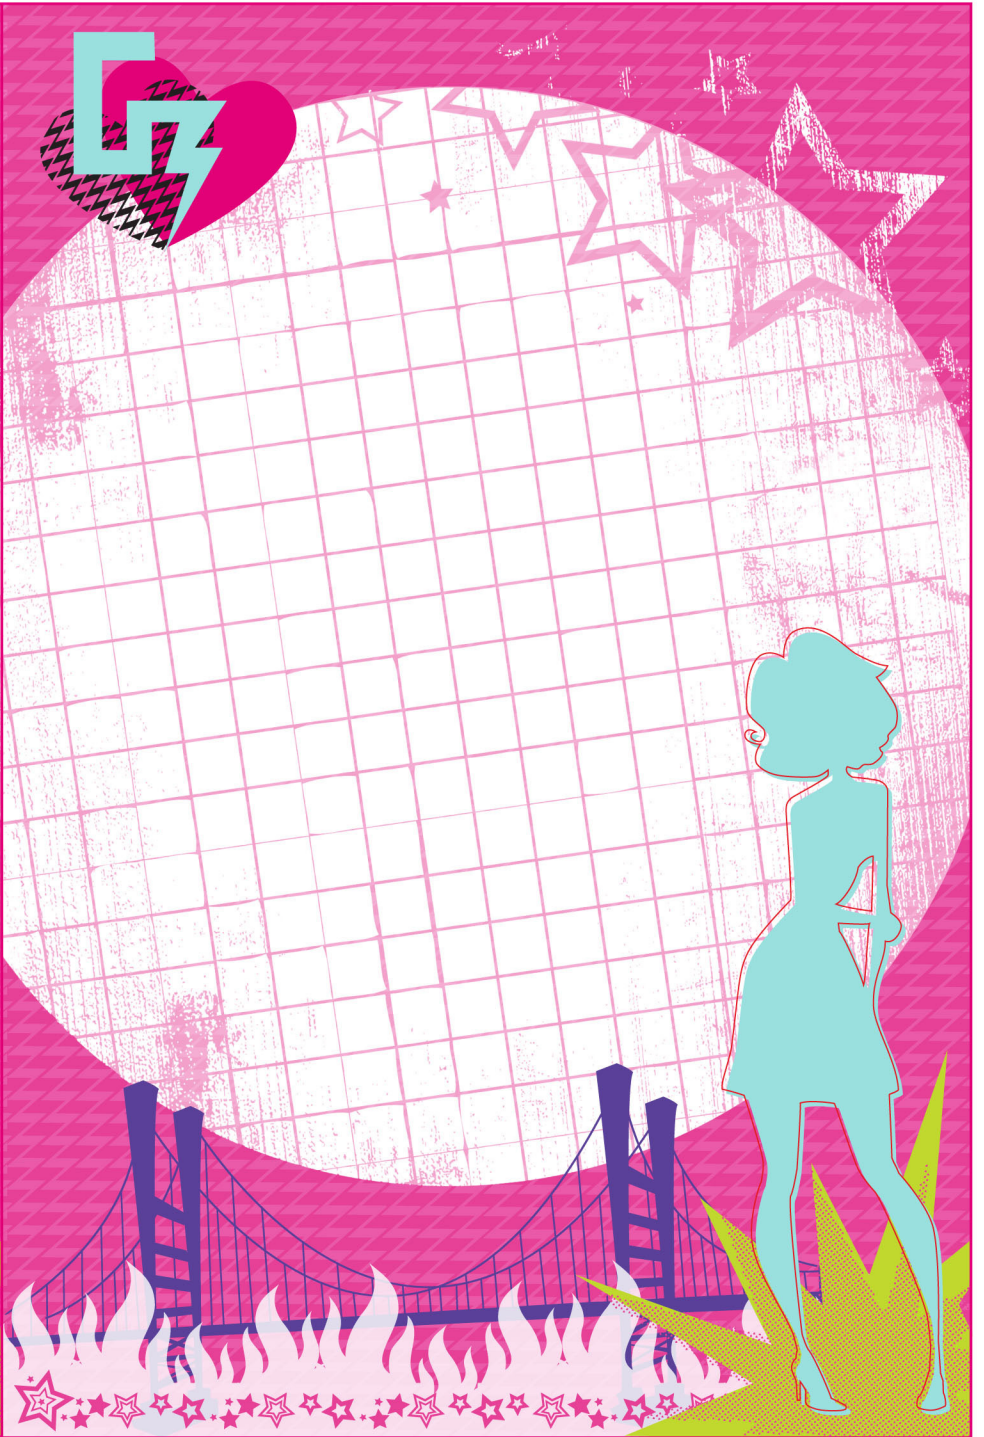

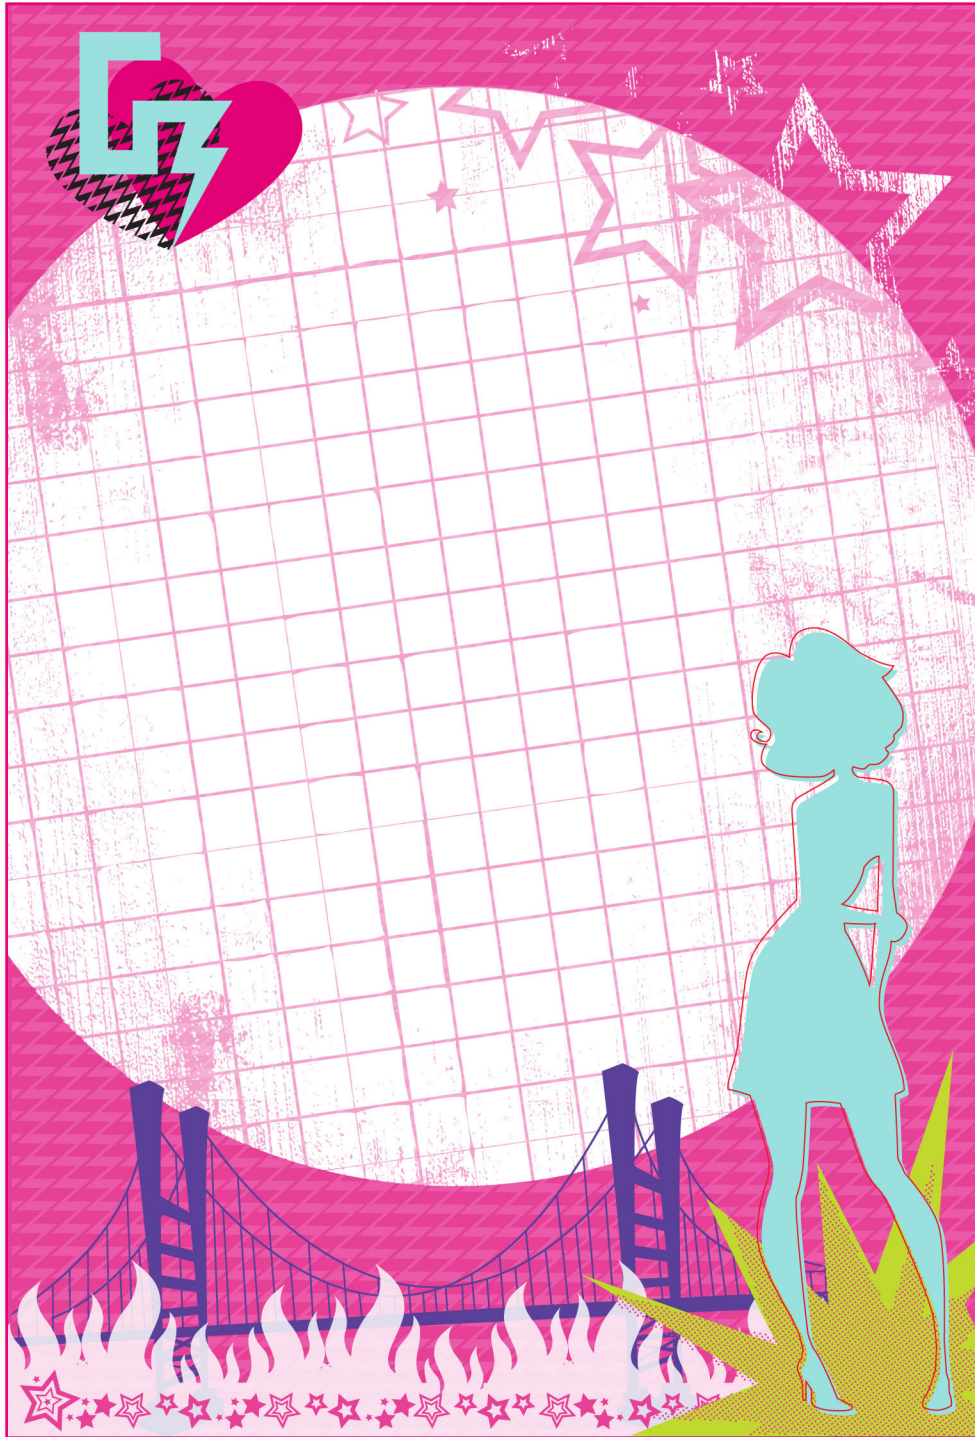

5. Fold the piece of stationery paper in half and slide note into envelope.

6. Close envelope by sliding tab into slot.
